Camp Arrowhead's Children of Promise Scholarship Fund Provides Opportunity and Hope

We believe time at camp gives all children the opportunity to try, fail, try again, and ultimately succeed within a community of complete support and encouragement. Overcoming challenges requires sustained effort and creates a sense of real accomplishment. We strongly believe that every child should have this opportunity.

For this reason, Camp Arrowhead, a high-adventure Christian camp for boys in the NC Mountains sets aside several weeks each summer exclusively for children who under ordinary circumstances cannot afford a camp experience. These boys, our Children of Promise campers, come from our local community as well as inner-city neighborhoods around the southeast.

"The week-long experience at Arrowhead has had a lasting impression on our kids," said Wesley Arnold, volunteer for the Henderson County Boys and Girls Club. "Each camper set goals that week to become better students and citizens, and I've seen a tremendous difference in many of their lives. It was a great experience."

Your gift of $1000 will scholarship one of our Children of Promise campers, providing a life-changing opportunity that otherwise would be out of reach.

Camp Arrowhead is a 501c3 non-profit organization, so your investment in our scholarship fund is tax-deductible as allowed by law. And it would be our pleasure to provide you with summary of our summer experience so you can see the impact your sponsorship has made in the lives of these campers.
